The Gold Movie Awards were conceptualised from the minds of many film industry professionals and created by Italian director Marco Recalchi, Irish actor and producer Jason Matthewson, and Antony Reolon in partnership with The Old Film Farm, ikona Film and Skyup Academy. The GMA's were created to showcase the best in upcoming and seasoned filmmakers alike and to give them a place to have their work screened and awarded in a professional setting.

The Gold Movie Awards® is immensely proud of the success, to name just a few of an incredible film *Silent Child*, which was awarded "Best of The Year" and went on to win a 2018 Academy Award for Live Action Short. The "Best of the year" 2019 is "Madre" by Rodrigo Sorogoyen and "Anna" by Dekel Berenson 2020.

The GMA awards ceremony will commence with the guests arriving on the red carpet, shortly followed by a champagne reception. The awards ceremony will commence at 19:00pm and run until 21:00pm with a guest musical interlude and guest celebrity presenters. The Gold Movie Awards® are proud to be working in partnership with many well know global partners, collaborators and brands.

In the last few years the GMA's has been a star studded event attended by some of the world best known and most loved actors, directors and celebrities in general such as Chiwetel Ejiofor (12 Years A Slave, The Lion King, Dr Strange), Ed Skrein (Deadpool, Elita), Josh Lucas (American Psycho, Le Mans 66, J. Edgar) Billy Zane (Titanic) and Sadie Frost (Dracula) to name just a few.
