

The Gold Movie Awards® 2020 Press Release

Next year the Gold Movie Awards® will be held at the birthplace of British cinema, the Regent Street Cinema in London's West End. This exciting awards ceremony is now moving into its fourth year and next year will be held on January 9th, and will celebrate the 2019 awards season.

The Gold Movie Awards® were conceptualised from the minds of many film industry professionals and created by Italian director Marco Recalchi, Irish actor and producer Jason Matthewson, and Antony Reolon in partnership with The Old Film Farm, ikon Films and Skyup Academy. The GMA's were created to showcase the best in upcoming and seasoned filmmakers alike and to give them a place to have their work screened and awarded in a professional setting.

The Gold Movie Awards® is immensely proud of the success of an incredible film Silent Child, which was awarded "Best of The Year" and went on to win a 2018 Academy Award for Live Action Short as did last year's winner of the Gold Movie Awards® best of the year Madre by Rodrigo Sorogoyen.

The Gold Movie Awards® are proud to have launched two brand new departments the GMA Expo, The GMA Academy and GMA Events. The mission statement of the Gold Movie Awards® above all else is to give back to and support the independent film industry and through the awards ceremony, the film festival and our new departments we plan to do just that.
